Bunday turdagi anjuman va taqdimotlar hozirda ilm-fan, yuksalishlar bilan shug'illanib kelayotgan insonlarga juda katta motivation bo'ladi! Begzod ni ancha uzoq vaqtdan beri kuzatib kelamiz, erkin fikrlash doirasi juda keng va ta'sirli! Omad!

Bu uchrashudan keyin uzimga bulgan ishonchim oshishi shubhasiz inshaOllloh.

Modul 5 uchun mehnatini ayamay biz yoshlarga katta imkoniyatlar yaratib motivatsiya berayotganlaringiz uchun katta rahmat aytmoqchiman.

Loyiha tashkilotchilariga mana shunday bepul uchrashuvlar o'tkazishayotgani uchun katta rahmat. Men iqtisodiyot yo'nalishi talabasiman, Behzod Hoshimov bilan uchrashishni anchadan beri orzu qilaman. Nasib etsa, albatta, orzularim Modul5 orqali ushaladi va o'zim uchun kerakli bilimlarni olaman. Modul5 loyihasiga kelajakdagi faoliyatida omad tilayman!
